

Jan 2006

To whom it may concern,

Daniel Giles has worked for me on job assignments for the last 15 years both in our yards and locally, supervising crews or working independently at repair, construction and fabrication.

My records show: arc welding, portable , on line or in the field .
 oxyacetylene torch, cutting, welding , brazing
 metal inert gas (mig)
on time , on budget , no trouble

Feel free to call if there are any questions.
