

Dr. Ellsberg and The Pentagon Papers (1969) created a domino effect to Watergate (72-74), which in turn had the USA withdraw from Vietnam within nine months of President Nixon's resignation.

Translation:

"Dan Giles is obviously a very sincere and committed gentleman, and his project appears to me to be a very decent and well-intentioned one."

---

I am a progressive, Republican and Christian in gratitude to have been invited to a breakfast meeting with Bodhisattva Ellsberg.
